

Stargazers

Creating the board:

- Buy sixteen 1.5" wooden tiles from an art-supply store.
- Print out the board page using a color printer.
- Cut out all sixteen squares.
- Glue all squares onto the tiles. Glue sticks are recommended.

Creating the deck:

- Buy heavy white printer paper
- (Optional) Buy a set of card sleeves from a game hobby store.
- Print out three copies of each card page using a color printer.
- Cut out all 48 cards.
- (Optional) Put the cards in the card sleeves.
